

BEST PRACTICES- I

Session 2019-20

1. Title of the Practice: - SELFLESS SERVICE TO SOCIETY: SCIENCE OF SOCIAL RESPONSIBILITY

*“The best way to find yourself is to,
lose yourself in the service of others”
~Mahatma Gandhi*

2. Objectives of the Practice: - Since the college is a center of academic excellence and is also a place of churning out socially responsible youth, many activities are conducted in the college which ensure the development of responsible citizens for the country.

3. Context: - In the face of the fast moving dynamics of social, economic, and technological change, it is important that the students remain rooted to their values and perform their humanitarian duties. The college shows exemplary commitment towards the nation and in the discharge of its social duties. It is an institution dedicated towards propagating the values of national unity and integrity amongst the minds of the youth. As the college is the largest government college in the district, it is vigilant towards its role of developing a holistic personality of the students. Since there are many small villages in the vicinity of the college where many social evils like superstitious beliefs, drug addiction prevail. Also there is a noticeable absence of awareness on citizens rights and duties. It thus becomes imperative that the college discharges its duties in the right spirit and guides the students to become aware and sensitized citizens. In the modern self absorbed/self centered world, the college constantly reminds its students that they are social beings and the acts of social service are an essential ingredient of mankind for it to progress harmoniously.

NCC Adopted Ward No. 2 Indra Nagar 25- Sep 2019

The college channels the students towards cultivating patriotism and developing social ethos in their minds. The NCC unit of our college has been instrumental in providing quality cadets and responsible citizens to the society. Through programs organized in the college, like Dhara Neer, the unit commemorates and celebrates the national heroes and patriotic values. It helps the students to render some of their primary fundamental duties enshrined in the Constitution of India:

*To cherish and follow the noble ideals which inspired our national struggle for freedom
To uphold and protect the sovereignty, unity and integrity of India*

युवा संकल्प वर्ष • राजीव गांधी की 75वीं वर्षगांठ पर छात्रों ने सांप्रदायिक सद्भावना विषय पर नाटक का मंचन किया
नेताओं की बातों में आकर धर्म के नुकसान का मंचन किया

शहर संवाददाता/ तीहोर

हिंदू, मुस्लिम, सिख और इसाई आपस में मिलजुलकर रहते हैं, लेकिन नेता अपने फायदे के लिए उन्हें रहने नहीं देते हैं। इसी शीघ्र सांप्रदायिक सद्भाव विषय पर मंगलवार को पीजी कॉलेज में आयोजित युवा संकल्प कार्यक्रम में छात्रों ने नाटक की प्रस्तुति दी। इसमें हिंदू की मां को खून की जरूरत पट्टन पर उसने मुस्लिम का खून नती चढ़ाया तो मां की मौत हो गई। एक जान की कीमत और नेताओं की बातों में आकर सभी धर्म को होने वाले नुकसान का मंचन नाटक में किया। साथ ही आपस में मिलजुलकर रहने का संदेश दिया।

वहीं भाषण प्रतियोगिता का भी आयोजन किया गया। शासकीय चंद्रशेखर आजाद पीजी कॉलेज में मंगलवार को भारत रत्न राजीव गांधी की 75वीं वर्षगांठ को युवा संकल्प वर्ष के रूप में मनाया गया। इसके लिए शासन के निर्देश पर यह कार्यक्रम 20 अगस्त से 21 मई 2020 तक आयोजित किया जाएगा। युवा संकल्प कार्यक्रम के तहत भाषण प्रतियोगिता आयोजित की गई। जिसका विषय नए भारत के निर्माता भारत रत्न राजीव गांधी। इसके बाद नुककड़ नाटक का मंचन किया गया। इस मौके पर राजीव गांधी के जीवन और देश के लिए किए गए विकासों से अवगत कराया।

देशप्रेमियों ने बताई सद्भाव की असली वजह

अंत में हिंदू की मां की मौत होने के बाद चहरे पर कुछ देशप्रेमी आते हैं। जो उन्हें सांप्रदायिक सद्भाव का के बारे में बताते हैं और कहते हैं हमारे देश में नेताओं के कारण ही सांप्रदायिक माहौल खराब होता है। हम अंधे होकर नेताओं के बहकावे में आ जाते हैं, वे तो उनके फायदे के लिए करते हैं, नुकसान हम सभी हो जाता है। इसलिए हमें मिलजुलकर रहना चाहिए।

फूट डालो शासन करो नीति से विद्रोह करवाते हैं नेता : सांप्रदायिक सद्भाव विषय पर आधारित नाटक में छात्रों ने पहले दृश्य में बताया कि हिंदू, मुस्लिम, सिख और इसाई आपस में मिलजुलकर रहते हैं। एक नेता जनता के बीच आता है और झूठे वादे करता है। इसके बाद मौका मिलते ही नेता फूट डालो शासन करो नीति अपनाकर सभी धर्मों के बीच विद्रोह करा देता है। इसी लड़ाई के बीच एक हिंदू की मां को चोट लग जाती है। जिसे अस्पताल में खून की जरूरत होती है और वह खून केवल मुस्लिम व्यक्ति के पास ही उस समय उपलब्ध रहता है। हिंदू अपनी मां को मुस्लिम का खून चढ़ाने नहीं देता और उसकी मां की मौत हो जाती है।

BEST PRACTICES- II

1. **Title of the Practice:** - HARIYALI MAHOTSAV : THE BEST SOLUTION TO ARREST POLLUTION

“Raise your voice against every act that pollutes the earth”

2. **Objectives of the Practice:** - Keeping in mind the vision and mission of our institute, every year efforts are made to make students aware and sensitive towards the environment in which we live and breathe. Therefore it is mandatory to establish a relationship of give and take between humans and nature. Hariyali Mahotsav as the name indicates, aims at bonding the students with nature and trees being the uniting factor.

3. **Context:** - The world environment day, plantation programs, saving the river Narmada, are some of the regular activities of our institution. Celebrating the activity of planting trees as a festival of giving back to nature what we receive, should be an activity of joy and celebration. Hariyali Mahotsav is a kind of festival that involves not just the students but also teaching and non-teaching faculty and also people residing near the college campus.

4. **The Practice:** - With a view to cater to mother nature, the Madhya Pradesh Government organized a week long Hariyali Mahotsav in the state. Under the celebration, the state forest authority planted more than 10 million saplings of trees in the state to augment the forest cover. The state government urged everyone to participate in the state endeavor to enhance the green cover of our homeland. Our college also played its part in contributing to the state governments effort. Under the Hariyali Mahotsav, Dharti ke Shringar program was organized in our college. On this occasion, the college staff in conjunction with the NCC cadets planted many saplings in the college and vowed to protect them. Everyone took a pledge to shoulder the responsibility of taking care of these saplings and doing their role in protecting and nurturing mother earth. With a view to conserve nature, a plantation drive was organized in the college premises and the college Principal, Dr. Asha Gupta administered the oath to attend to the trees and also to minimize the use of polythene in the college campus. Dr. Uday Dolas, NCC in-charge share put more light on the event and shared by everyone participating in the Mahotsav was asked to take a selfie with the sapling that had planted and also deliver a ten-word awareness message on environment conservation. Students of the college enthusiastically participated in the event, the winners of certain competitions were also felicitated by the Principal.

5. **Problems Encountered:** - Planting trees is important but so is task of protecting them. In the absence of regular watering and tree guards, at times it is difficult to save the saplings from dying. With more tree guards and a regular waterman, the festival of Hariyali Mahotsav could have been more successful.

6. **Impact of the Practice:** - The activity of planting trees develops in the students a sense of responsibility towards protection of environment and also generates an interest in gardening and knowing different species of plants and trees. In totality this program has resulted in building a lasting relationship between students and environment.
