

## **Annual gender sensitization action plan**

The Women Grievances and Redressal Cell organizes meetings at the beginning of the session every year. The main agenda of the meetings is to create a healthy and atmosphere in the campus. The proportion of girls studying here is high so many activities are undertaken to provide them a safe environment in the college (a) It was decided in the meetings to provide them information on POCSO Act. to create an awareness on sexual harassment (b) to provide training for self defense under a police constable, (c) to appoint two girls as campus ambassadors , (d) to provide education on women's rights by police officers, advocates and legal advisors through legal training center. (e) to install CCTV cameras at important places (f) to provide contact numbers of Police Helpline, Counselors and Women Helpline (g) Through charts, flexes and banner inculcate respect for women ( Samman Abhiyan). (h) During Covid period, awareness programs were organized online on methods of prevention of Covid and tips on maintaining health and hygiene were given to the students. They were encouraged to practice yoga, meditation with exercise to keep oneself motivated.
