Sir, he studies very well. Sir, he understands very well. He understands more practically than theoretically.

nothing

ask the reason to that students why they can not attend the class

1. Documents wark jo ki 10 bar office Jana pedta hai tab ja ker office me teacher melte hai or mil jaye to bhi bhout kam chance hote hai wark hone ke

2. Kuch teachers ese hai jo ki kabhi class ate hi nhi jese foundation ke teacher B.com 2nd year me ek bhi class nhi lagi Abhi tak

3. Year me ek bar student ko trip pe bhi le Jana chaye

If some suggestions wants by student to improve teaching is actually we want to to online classes to attend our classes if we'll not come college by some important reasons in very important movements. Like CCE , pre examination and final exams. If student would not come on the classes by some reason. How would they studied for exams. And we have want to solution about that soon as soon. If u agree by it please think about it and do something about that.

Again thanks to all the teachers.. ✨💜
